

# Ontario Conversion Package

Access to Canada's  
Mobility Ecosystem

Are you an auto tech company with under 500 employees and looking to incorporate in Ontario, Canada?

The Ontario Conversion Package is a FREE service offered to companies looking to establish a location in Ontario.

Complimentary services include:

- Cost of incorporating your company provincially or federally
- Initial legal & accounting consultation
- Business mentorship through the Windsor-Essex business support services and regional innovation centres
- Soft-landing space

Benefits of operating a business in Windsor-Essex:

- Highly educated and skilled labour force
- Access to talent from local academic institutions: University of Windsor and St. Clair College
- Located at the gateway to North America's busiest trade corridor
- Situated at the heart of the richest consumer market in the world, with more than 200 million people located within a 13-hour drive
- Preferred access to the Ontario Vehicle Innovation Network (OVIN) programs and the Windsor-Essex Regional Technology Development Site (WE RTDS)
- Access to provincial and federal funded programs through [OVIN, ISED \(Innovation, Science, & Economic Development\)](#) and others
- Strategically located in the Automobility Capital of Canada supporting the next generation of vehicle development
- Home to Canada's first full-scale battery production plant that will serve as an anchor for the electric vehicle (EV) sector
